HELPFUL TIPS:

Housing Counseling works BEST when there is constant communication between you and your assigned counselor and our agency. To avoid the above fees, make sure to ALWAYS communicate via e-mail or phone calls.

All appointments are scheduled through our appointment system. Please review your e-mail for the Next Steps e-mail after successfully attending one of our workshops for full instructions and the scheduling link.

WE DO NOT ACCEPT WALK-INS. If you have documents to submit to your counselor, you can drop them off to the office without having to schedule an appointment. You also have the option have a virtual folder and you can upload your documents electronically. For more information about creating a virtual folder please ask your counselor
